

ISAFM2024

The 10th International Symposium on Advanced Functional Materials

between

Changwon National University

and

Yokohama National University

July 17th – 19th, 2024

Yokohama National University

Organized by

Yokohama National University, Faculty of Engineering, Division of Systems Research, Japan

Changwon National University, School of Materials Science & Engineering, Korea

Information page

<http://www.materep.ynu.ac.jp/isafm2024>

Registration Fee

Attend from abroad: Faculty 10,000 JPY, Students 10,000 JPY

Attend from Japan: Faculty 15,000 JPY, Students 10,000 JPY

Including, Symposium Proceeding, Lunch on 18th, Dinner on 18th

Important days

Deadline for submission of abstracts 4th July
